FREQUENTLY ASKED INDOOR QUESTIONS:

How do I register: The easiest way to register is online at www.lacrosseamerica.com. You may also register by completing the attached form and faxing/ mailing/ or dropping off at any Lacrosse America location. To register for multiple locations contact linda.b@lacrosseamerica.com before signing up on-line.

Lacrosse America Corporate Office:

600 A Waukegan Road, Suite 118, Northbrook, IL 60062

Fax- 847-412-5528

Please register early as many of our programs will fill before the start date.

-Fax/Mail in registrations will not be accepted after programs have filled.

How will I know my schedule? We must wait until we have a good idea of the total number of registrations we will have before we can begin to make teams and schedules. Therefore, the first weeks schedule will be posted at www.lacrosseamerica.com 3 days before the start of your program. Week 1 will be used for player evaluation and team making. Complete session schedules will be posted once teams are finalized. You may notice that there is a large time slot listed for each program, even though the programs are only one hour or less. Again, this is because we do not know how many registrations we will receive, and thus, how many teams we will have. An exact window will be posted once teams are finalized and game start times for your division will fall within that window each week.

How are teams made: Youth teams are made by town and school. If you play spring lacrosse with a town other than the one in which you live, please specify which town you would like to be grouped with. High school teams are made by school attended and grade.

Can I play up: There may be opportunities for advanced players to move up a level. If you feel you are qualified to play up, you must request an evaluation from the program director. Register and show up with your ACTUAL GRADE, DO NOT PLAY UP UNTIL YOU HAVE RECEIVED PERMISSION FROM THE DIRECTOR. All final decisions will be made by Lacrosse America staff. Players will only be permitted to move up if there are available roster spots at the next level.

Refund Policy: Refund all but \$50 prior to the start of session. No refunds once the session begins. Register CAREFULLY!!! We have locations in Northbrook, Libertyville, Barrington, Darien, St. Charles and Frankfort. Any changes made to your registration (i.e. location) will result in a 5% processing fee. Please confer with your friends before choosing a location.

What about weather cancellations: We do not cancel indoor lacrosse unless the facility closes down. In the event of bad weather, please call the sports complex and verify their status, and please drive carefully.
